Who receives training in trauma-informed care and cultural competency and bias?

### Terminology

1. [Trauma-informed care](#)

### Beginner, Intermediate, and Advanced Determination

Evaluate your organization's current training options in trauma-informed care. Consider the following:

- Do you offer training on trauma-informed care internally or through an external service?
- Who at your organization is asked to complete this training?
- Is this information accessible by anyone at your organization?
- Is this training required for any individuals at your organization?
