

HASS Rubric: Intake-to-Placement

Are eligible pets at the organization visible in person and digitally?

Terminology

1. **Eligible:** Eligible pets include all pets that are not currently unavailable for stray hold, medical, behavioral, or court-related reasons.

Beginner

All eligible pets physically in care are visible to the public in person at your facility.

Intermediate

All eligible pets in care are visible to the public in person at your facility and digitally. Digital visibility may include an official website page of available pets and social media posts. **Foster-based organizations that do not have a facility must have eligible pets visible online.**

Advanced

All eligible pets in care are visible to the public in person at your facility and digitally. Eligible pets in foster are available for in-person meetings facilitated by foster caregivers.
