

## HASS Rubric: Lost Pet Reunification

Are community members encouraged to reunite lost pets?

### **Beginner**

Community-facing staff encourage pet finders to reunite lost animals prior to bringing them to the shelter. Community members are provided with resources outlining best practices to follow when a pet is lost or found.

### **Intermediate**

Community-facing staff encourage pet finders to reunite lost animals prior to bringing them to the shelter. The organization has a program in place that allows people to hold or foster found pets while attempting to locate an owner and provides community members with resources outlining best practices to follow when a pet is lost or found. This program may be finder-to-foster, 48-hour program, or similar.
