

HASS Rubric: Lost Pet Reunification

Can the organization transport found pets home?

Terminology

1. **Found:** A lost pet has been identified, a connection has been established with their caretaker, and a plan has been created to reunite them.

Beginner

Staff are able to transport found pets home if a caretaker is unable to pick them up from the facility directly.

Intermediate

Staff and volunteers are able to transport found pets home if a caretaker is unable to pick them up from the facility directly.
