

HASS Rubric: Lost Pet Reunification

Do Field Officers have resources to make and distribute lost pet signs?

Intermediate

Field Officers are equipped with the supplies needed to make and distribute lost and found pet signs in the field on behalf of community members who do not have the means to distribute signs directly. These signs focus on lost pets or locally found pets that are currently **not** under the care of animal services. Supplies may include a customizable template, paper, markers, a printer, tape, and more.
