

HASS Rubric: Lost Pet Reunification

Who at the organization completes lost pet reunification tasks?

Beginner

Lost pet reunification tasks are completed by individuals from various departments; There is no dedicated volunteer or staff member for these tasks. Tasks include, but are not limited to, processing lost and found pet reports, searching online databases for potential matches, completing regular check-ins for previous reports to maintain accuracy, providing educational materials for steps to take if a pet is lost or found, and posting pets on local lost and found social pages on behalf of an individual as needed.

Intermediate

The organization has at least one part-time staff member or volunteer dedicated to lost pet reunification tasks.

Advanced

The organization has at least one full-time staff member or volunteer dedicated to lost pet reunification tasks.
