

HASS Rubric: Supported Self-Rehoming

Does the organization share technology solutions for self-rehoming?

Beginner

The organization recommends rehoming platforms, such as Adopt-a-Pet, Home-to-Home, GetYourPet, or others, and local pet rehoming social media groups with the public to assist with rehoming pets. The organization does not directly utilize these platforms or have established partnerships.

Intermediate

The organization directly utilizes rehoming platforms, such as Adopt-a-Pet, Home-to-Home, GetYourPet (or others), local pet rehoming social media groups, or a custom-created in-house technology solution to assist the public with rehoming pets. Direct utilization of existing platforms includes having an account and monitoring pet listings.
