

HASS Rubric: Supported Self-Rehoming

How does the organization support self-rehoming meet and greets?

Beginner

Resources are provided to self-rehoming owners to encourage utilizing best practices for facilitating pet introductions to prospective adopters and their pets. These tips may be shared verbally or as physical or digital materials.

Intermediate

A space at your organization is provided to self-rehoming owners to utilize for facilitating pet introductions to prospective adopters and their pets. This space may be a room indoors or an outdoor yard. Self-rehoming owners may choose to conduct meet and greets elsewhere, but the organization's space is available, if requested or needed.

Advanced

A space at your organization is provided to self-rehoming owners to utilize for facilitating pet introductions to prospective adopters and their pets. The organization provides on-site support with facilitation and handling.
